Easter Weekend Update:

I hope this update finds you well during these challenging times. This is not what any of us wanted especially for Easter Weekend which is usually the start of our visitors arriving to the town. BID4Oban are trying to share as much information as possible with levy payers as we receive it. Today saw the launch of a major partnership and communication exercise with The Oban Times and Oban FM. The purpose of this is to keep residents of Oban aware of which businesses from all sectors are still trading and providing services. This weeks Oban Times had a two-page spread with appropriate businesses listed. There is also a tab on the Oban Times website. If there are any that we missed, please contact info@bid4oban.co.uk Oban FM will be broadcasting and advertising the businesses listed in the Oban Times BID4Oban page. Along with our social media pages and website we our doing our best to keep you updated. The funding for the above is coming from Scotland's Towns Partnership Resilience Fund.
