BID4Oban Corona Virus Update 7 26th March 2020

We are trying to keep businesses update with the latest information regarding the outbreak of Corona Virus.

At the time of this email, we still have no further information regarding Financial Aid for self-employed. As soon as we have detail we will post on our website and copy via email. I have also included information with today's updates online about **Business Resiliency, Insurance, and Claims Advice for UK Policy Holders.** This is generic advice to and has been provided by a levy payer. In posting this information we are sharing information and not endorsing any specific insurers. This will appear on www.bid4oban.co.uk only.

We will also post a supplementary information page on our website, as we do want these updates to highlight information specific to the day.

For all updates please visit our website:

Information regarding The Oban Times

For those of you that may or may not have read this week's Oban Times I have to applaud them for the information delivered in very difficult times. Most journalists, production and advertising staff are working from home. If you have any newsworthy stories, please contact them directly. Share your good news stories and how you're handling the situation with Susan in editorial at editor@obantimes.co.uk - let us and the community know how you're responding during this period so we can learn from each other. Like many businesses we need to support them to get through this difficult period.

Please follow them on Facebook (link below) If you are unable to purchase a copy, they have now improved their website access and you can download and electronic page turner version of the paper. This could be particularly suitable for those self-isolating. If you can though, get out and buy one!
